

Remarks

Claim dependency errors have been noted when reviewing the application, and amendments have therefore been made above.

In response to the examiner's requirement for restriction, the applicants elect Group I, consisting of claims 1 – 11, 13 – 15 and 17 – 22. This election is made without traverse.

Examination of the application on its merits is now awaited.

March 13, 2003

Respectfully submitted,

A handwritten signature in black ink, appearing to read "William M. Lee, Jr.", is written over a horizontal line.
